

ACS SERIES

INEXPENSIVE TO INSTALL. INEXPENSIVE TO OPERATE. ClipperCreek's ACS electric vehicle charging stations provide a low-power charging option. ACS charging stations are hardwired 120V units, eliminating the need for a ground fault outlet and providing a more reliable charge. These Level 1 charging stations are ideal for long-term charging situations like workplace, airports, hotels, universities, and hospitals.

- **LOW PROFILE** - One of the smallest units in the industry
- **AFFORDABLE** - Pricing starts at just \$379
- **CONVENIENCE** - 25 feet of charging cable for installation and operation flexibility
- **DURABILITY** - Rugged, fully sealed NEMA 4 enclosure for installation anywhere
- **RELIABILITY** - Backed by ClipperCreek's three year warranty and excellent customer service team
